Sam Pearsall

A retired ecologist and tonight's emcee, Sam believes we are all made of stories! Stories are what we remember and dream and how we think of each other. Every story is a whole world. Sam believes that with any good story, the further in you go, the bigger it gets. www.samstories.org

About **Roadhouse Storytellers**: In early 2017, Sam Pearsall founded and produced Roadhouse Storytellers at the Pittsboro, NC Roadhouse until Covid 19 changed the world. During its three years of pre-Covid production, Roadhouse Storytellers put 55 different storytellers on stage. Tonight's event is the first Roadhouse Storytellers event since January 2020. We hope tonight is the first show of a revived Roadhouse Storytellers series.
